How to join action as a paratrooper

Attention: Paratroopers units are not available from ground brigades since you must fly to the frontline. You can only spawn at rear Airfields that have paratroopers deployed in it. Only ranked officers can create missions that will unlock this supply. Ask on the side chat channel if you need some.

1. Paratroopers can only spawn from airfields:

2. You will have to join a "paratroop brigade" (right-click on town):
